

## **Kit for Outdoor Dance Classes, Rehearsals, and Performances**

### **In case of injury, cuts, and splinters:**

- Latex gloves (4 sets)
- First aid kit, including Band-aids and Neosporin
- Ibuprofen
- Aspirin
- Benadryl
- Tweezers
- Crushable ice packs (2-4)
- Scissors
- Kleenex
- Athletic tape

### **For cleaning up the space:**

- Trash bags (2)
- Small dustpan and broom
- A few pieces of paper towel

### **In times of COVID-19:**

- Spare masks (2)
- Hand sanitizer

### **For being outdoors:**

- Sunscreen
- Spare pair of cheap sunglasses

### **Some paperwork/related supplies:**

- Blank paper
- Pens
- Sharpie
- Blue painters tape
- Blank injury report forms from your organization

### **Your contact info:**

- Business cards
- Brochures
- Copy of permit for the use of the space (if applicable), or copy of info stating that where you are is a public space open to all
- If you have a group of students, do you have a list of their contact info and emergency contacts?

### **Tech help:**

- Spare batteries
- Phone charger
- Backup portable speaker

### **Miscellany:**

- Clif Bars and Clif Bloks (for low blood sugar, people needing food)
- Two small bottles of water

-----

### **Plus - FYI for any space or gathering:**

- Where is the closest fire station?
- Where might the closest AED device be located?
- Are any artists and guests allergic to bees? Do they have medicine or an epi-pen on hand?
