

## Placement

A movement poem for March 28, 2020 by Jill Randall

Put

Place

Place in the air

Place in your pocket

In your heart

On your head

To your face

Breathe.

Organize,  
But then swipe the table

Brush

Clear

Clear

Stop.

Hands on table

Hands together

Hands on hips

On ears

On eyes

In the air

Open + close,  
Hands that is

Open,

Open,

Open
